Not yet. Let us know if you can recommend a certain place for Friday and Saturday nights. Thanks!

I don't expect Valois and I will cut our TAs until the draft permits are actually issued on August 26th.

Hi Lisa: Yes, I think we would travel on the day before (Friday), and return the day after (Sunday). The hearing will go from 9 am to 6 pm on Saturday with a two hour break for lunch.

Driving for Valois and I might be preferred if we plan to bring the visual displays, etc. we used in 2017. She will be back next week so hopefully we can confirm our plans then. Flying is certainly an option for you and/or Katherin in/out of Rapid City assuming you can travel down to Hot Springs in a rental car.

Do you expect anyone else to come from OCPI? We had Lynne Newton join us last time to assist, and will need to decide if we should bring a third person from UIC.

Douglas, I should put in for my travel – are folks driving up or flying? I assume on the 4th?
